# BLM PARTNERSHIP TRAINING SERIES

**FY 2000 Community Based Partnership (James Kent & Associates);  
community cross section to build relationships and trust**

**FY 2001 Learning Communities - front load scoping for eventual  
RMP revision**

# BENEFITS OF TRAINING

Build new and strengthen existing relationships with no crisis to solve

Ability to jointly work on emerging issues as they arise

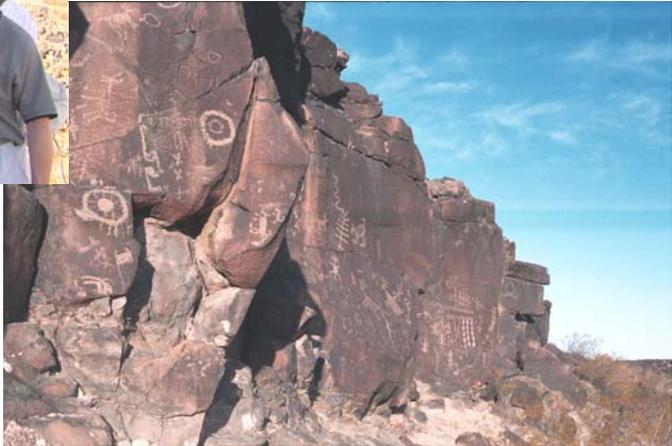

Recognize and utilize knowledge and expertise of local governments and citizens in planning process

Share power by embracing what others can bring to the table

# Partnerships at Work

# Sears Point ACEC - Preservation/Interpretation

- National Register Archaeological District
- Historic/prehistoric travelers journey  
to CA via Yuma Crossing
- Thousands of petroglyphs/sacred sites
- Potential heritage tourism site

## Colorado/Gila River Confluence

- Adjacent to East Wetlands
- Family recreation opportunity
- Unsafe area/trash/undesirable use

## What We Bring To The Table

- 50K donation for Yuma Tree Nursery
- Biological assistance to delineate East Wetlands
- Assistance with Section 106 SHPO consultation
- Yuma Birding and Nature Festival
- Member Yuma Crossing National Heritage Area  
Board of Directors

## Yuma Crossing National Heritage Area
